

What is provided at the property and what should I bring?

The White Hart is a self-catering venue and **not** a Hotel. Below we have put together an overview of what you can expect on arrival. We have also made a list of suggested items to bring with you that will make your stay more comfortable. If there are any specific items you will require for your stay, we advise you to bring these with you to avoid any potential disappointment.

You will be staying in the centre of brigg with many independent shops should you need anything further. The supermarkets are visible across the river and a short two minute walk. There is also a butchers and bakery just a few doors down from The White Hart.

Bedrooms

We provide bed linen & towels. All rooms will be made up with the correct configuration we have confirmed with you. All we ask is that at the end of your stay you strip and linen from the bed and pile these with any towels on the floor of your bedroom on the day of departure.

Kitchen & Household Items

We will provide a starter welcome pack of household items for the kitchen. Basic household items include kitchen cloths, tea towels, washing up liquid, pan scrubber, tea, coffee, sugar, bin liners, antibacterial soap, as well as a few dishwasher tablets.

There are two fully equipped kitchens with all the usual appliances you would expect to find in a kitchen catering for 40 and a good supply of cooking and baking equipment to allow you to prepare food easily. There will also be enough crockery/cutlery/glassware etc for the maximum occupancy.

We have an ironing board and iron in the kitchen and a couple of hairdryers available for convenience. We also have a Dyson vacuum cleaner and a G-tech vacuum behind the bar.

Bathrooms & En-Suites

The main bathrooms and en-suites will include loo roll to start you off..... There will be hand wash in all the bathrooms along with body & hair wash dispensers in the showers and bathrooms.
